*Uniendo Voces: Advancing the
Future of Latino Health*

**28th Annual NHMA Conference
Anaheim, Calif.
June 5-7, 2025**

About NHMA

As the nation's leading Latino health resource and advocacy organization, the National Hispanic Medical Association has been working since 1994 to empower the more than 53,000 Hispanic physicians in the U.S. and its territories to improve Latino health conditions and access to quality health care in the United States.

What does NHMA do?

Advocacy

We support the efforts of leaders in public and private sectors that improve the health and wellness.

Education

Our annual conference delivers information-packed sessions lead by experts and renowned speakers.

Leadership Development

Provides leadership development to Hispanic physicians and other health professionals.

Networking Opportunities

Provides career enhancement and growth for members through national and regional conferences.

Uniting Voices Uniendo Voces

A Network Like No Other

- Connect with hundreds of Hispanic doctors who are leaders in their fields.
- Engage in a multidisciplinary environment that fosters growth and collaboration.
- Access a network that brings physicians, students and other medical professionals together to bridge cultural gaps in healthcare.
- Help create networks that bring positive change to diverse communities.
