

# TAKING ACTION

*for our health*

LET'S WORK TOGETHER

to improve the health and well-being of the Latino community. Protect your health: learn, act, track your progress, and help others do the same.

- 1 Cancer Screenings
- 2 Heart Health
- 3 Emotional Health
- 4 Prediabetes

Taking Action for Our Health is a unique collaboration of organizations with a common goal of removing health differences in the Latino community: Anthem, Inc., the Beckman Research Institute of City of Hope, the National Hispanic Medical Association, and Pfizer, Inc.
