

WE ARE HIRING

Are you looking for an exciting and rewarding career in the federal government? Would you like to make a difference in how prescription drugs that includes new drugs, generic drugs, biological products and biosimilars as well as over-the-counter (OTC) drugs are evaluated and approved to ensure safe and effective drugs are available to improve the health of all Americans? Look no further, join the **U.S Department of Health and Human Services (HHS)/Food and Drug Administration (FDA)/Center for Drug Evaluation and Research (CDER) team!**

See below list of current FDA/CDER employment opportunities utilizing the [FDA 21st Century Cures Act Hiring Authority](#). We encourage job seekers to click the position title to view and read each job description carefully to determine if you meet the qualifications and eligibility requirements for the position(s) of interest before applying.
