

A HISTORIC \$880B MEDICAID CUT?

Millions could lose access to
**coverage, benefits & fair
provider pay**

If Medicaid expansion ends in 2025, we'd see:

\$20.9B **less** for prescriptions

\$20.7B **less** for dental & home health

\$6.4B **less** for doctor visits

NHMA

National Hispanic Medical Association

MEDICARE IS CRITICAL FOR US!

Latino seniors experience higher rates of chronic conditions like diabetes (**37%**) and hypertension (**65%**) compared to White seniors (ASPE, 2023)

* Latino adults over 65 are 1.5 to 2 times more likely than White adults to report difficulty affording prescriptions (ASPE, 2023)
