Living through the Pandemic the
intersection of asthma and
COVID-19

Thursday, February 2, 2022 • 4:30 PM Eastern Time

Join us as we talk together about living through the pandemic with COVID, the COVID Vaccine booster, and the vaccine for children.

This session will include:

- A discussion about the COVID 19 Booster vaccinations, the different variants and vaccinations for children.
- A patient will share experience living with COVID while living on a college campus.
- Discuss some of the questions patients want answered

The session will be offered in Spanish and English

Earn \$25 by attending this FREE conference*
